

## Donate

The Salvation Army Domestic Violence Programs rely on the donations from individuals and foundations. Any money given will greatly increase the quality of our services to our clients. It will provide for better furnishing, greater facility maintenance, continued staff trainings, gifts, toys, special trips for our Children's Program, and much more. To donate money, please send a check signifying what program you would like to donate to at: Domestic Violence Programs 1101 Pike Street

Seattle, WA 98101

We also accept item donations such as new or gently used: furniture, clothing, toys, etc. If you have an item you would like to donate to one of our programs, please contact our facility manager: Susan Kwong Lau

If you would like to donate to the Salvation Army on a National level, please do so through our Planned Giving Campaign by visiting this link: [www.salegacygifts.org](http://www.salegacygifts.org)
